### Saint George Antiochian Orthodox Church Night at the Lowell Spinners Baseball Game

I will no longer be able to chair our annual Night at the Spinner Game, that we attend in August, every year. If a parishioner would like to take over this event, please contact me immediately, because you need to book the event now to get your desired number of tickets for the baseball game and the seats you want. If no one contacts me, then the social event will no longer take place from our church. Thank you
